- **Contact:** +91-8130044357 | **Location:** New Delhi, India
- **GitHub:** github.com/Dheerush

PROFILE

- Strongly inclined toward solving real-world problems through scalable web solutions and automation. Experienced in designing and integrating complex systems, but equally passionate about front-end and back-end development, clean UI/UX, and cloud deployments. Always eager to learn new tools, frameworks, and AI technologies to build impactful and intelligent applications.

WORK EXPERIENCE

- **Role: SAP Integration Consultant**
 - Participated in interface configuration, message mapping (Graphical/XSLT), and basic adapter/module configuration to support evolving business requirements.
 - Provided L2/L3 support for SAP PI/PO and CPI interfaces, focusing on real-time error handling, issue resolution, and integration testing.
 - Collaborated with cross-functional teams to implement, test, and deploy integration solutions aligned with business processes.
 - Participated in system upgrades, patching, and performance tuning activities to ensure stable and high-performing integration landscapes.
 - Involved in the upgrade, monitoring, and tuning of PI/PO systems to ensure high availability and performance.

SKILLS

- **SAP Technologies:** SAP PI/PO, SAP CPI, SAP ABAP
- **Data Structures and Algorithms**
- **Web Development:** MERN Stack, Next.js, JSX, Razorpay Integration, REST APIs
- **Programming Languages:** C++, JavaScript, TypeScript
- **DevOps & Tools:** Docker, Git, GitHub, Render, Vercel, AWS (EC2, S3, Lambda basics)
- **Cloud & AI:** AWS Cloud, Generative AI APIs (basic integration & usage)
- **Soft Skills:** Problem-solving, Collaboration, Communication

PROJECTS

- **Responsive Full-Stack Banking Application – CBI BANK** [Live App](#) | [Source Code](#)
 - Tech Stack: Next.js, React, Express, MongoDB, Node.js, REST APIs, Git, Render, Vercel
 - Integrated Razorpay for seamless online payments and transaction processing.
 - Include core banking features:
 - User Authentication & Authorization
 - Fund Transfers & Transaction History
 - Loan Application & EMI Management
 - Fixed Deposit Management
 - Complaint Registration System
 - Deployed backend on **Render** and frontend on **Vercel** for optimal performance and scalability.

EDUCATION

- **Vellore Institute of Technology, Vellore;**
 - 2016-2020: B. Tech (Mechanical Engineering, CGPA: 7.56)
- **SOS Hermann Gmeiner School, Faridabad**

CERTIFICATIONS/ACHIEVEMENTS

- MERN Stack Certification – GeeksForGeeks
- Infosys Certified SAP PI Professional
